FLAAA Sports Center ~ Forest Lake, MN

Calling our Community! ~ The Lakes Area Expo is a great way to stay in touch with your community, find out what's new and exciting with area businesses, and catch up with neighbors and friends. With the Lakes Area Expo we're able to show our support by patronizing area businesses and show our unification as a successful and unique group of residents. We're putting the word out and asking all residents, community service organizations, elected officials, youth organizations, and business owners to join us. Let's support each other for together we are better, stronger, and whole.
